Summer - Break Fun - Sheets

Summer

Dear Parents

The blissful summer vacation is here. It is a perfect opportunity to keep children engaged in fun-filled activities and develop their life skills.

LEARNING BY DOING

- Keep your room clean and well organized.
- Help your parents with daily chores.
- Spend time with your grandparents and help them.
- Eat nutritious food and stay healthy.

Here are some useful tips for summer vacation:

Dos:

- Drink lots of water.
- Wear light cotton clothes.
- Have plenty of seasonal fruits like musk-melon, water-melon, orange, cucumber, etc.
- Study for half an hour to one hour every day.
- Keep a balance between work and play.
- Discover your creativity through Research Work Sheets.

Don'ts:

- Don't eat junk food.
- Don't watch too much TV.
- Don't waste time in being lazy.
- Don't make your place of living dirty.

To keep you entertained during these holidays, a very innovative summer homework has been designed that involves family participation too. Suspend blessed time with the family. Relax, enjoy, show your creativity and come back refreshed!!!

Plant a sapling in a pot and water it. Observe its growth every day. Take care and click a selfie with it on the following days:

- **Day 1**
- **Day 7**
- **Day 14**
- **Day21**

Make a collage of the pictures clicked and send it to your class teacher.

*The MORE that you READ
The more THINGS you will KNOW
The MORE you LEARN
The more PLACES you'll GO!
- Dr. Seuss*

STEPS involved –

8.ART – INTEGRATED ACTIVITY

PART – I: *Make a collage of festivals celebrated in Andhra Pradesh.*

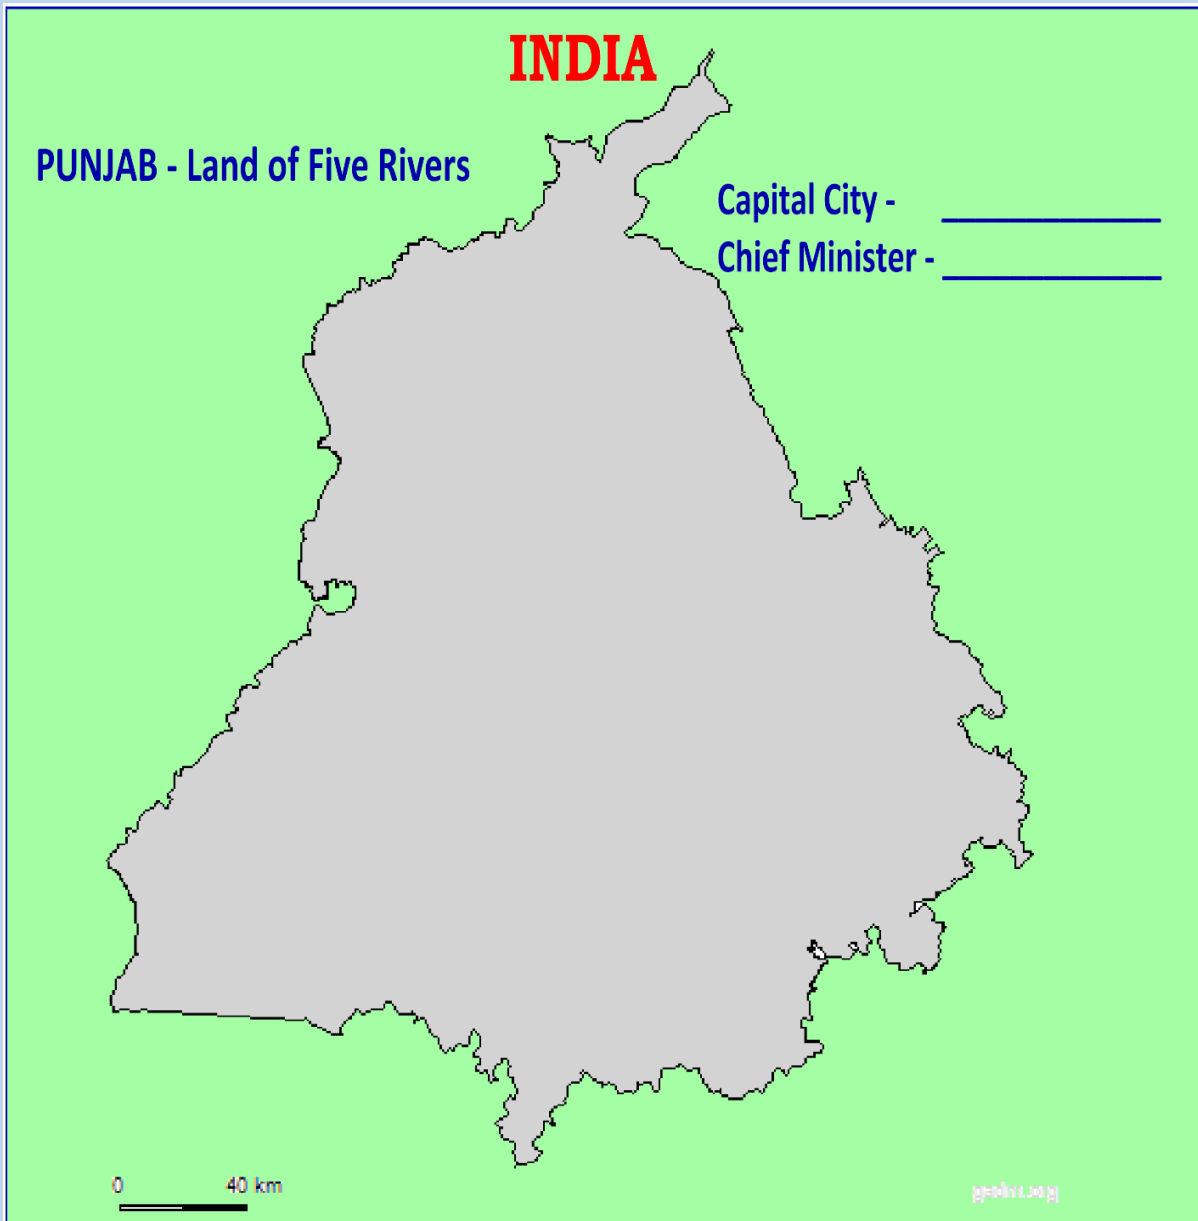

Underline the describing words used in the given passage.

Andhra Pradesh is also known as the rice bowl of India for being a major producer of rice in India. It's official language is Telugu, one of the classical languages of India. Visakhapatnam is the most beautiful city of Andhra Pradesh. It is known for its picturesque beaches, serene landscape and rich culture. It is one of the oldest port cities in the country.

8.ART – INTEGRATED ACTIVITY

PART –II: *Make a collage of festivals celebrated in Punjab.*

Underline the describing words used in the given passage.

Punjab, the state that receives the beauty of five gurgling rivers paves the way for tourists to revel under its charm. The essence of this beautiful state is experienced through its festivals. It is a land of bright hues, happy music and welcoming smiles. All this, combined with sessions of vigorous dancing gives us many colourful festivals that the state is known to celebrate. The festivals reflect its rich culture and heritage.

9. Look at the picture. Write a paragraph describing what you see.

{ **Mention** – What place is this; who is there; }

what flowers you see; what vegetables you see, etc.

10. 'Identify the problem but never dwell on it. Focus on solutions.'

Come and let's play a game – *Decide and Solve*

Situation – Your class teacher has organised a class party. Everyone has been told to get a dish. Your friend Pooja has been told by the teacher to get pastries for her group. You know that Pooja has some problems and may not be able to get the pastries. What will you do to help her?

Decide – Will you

1. tell her, “If you have problems in getting the pastries, I will get them.”
2. discuss secretly with the class teacher. Then, plan out things in such a manner that Pooja gets to bring something that can easily be prepared at home.
3. tell everyone about Pooja. Then, announce that she must be allowed to attend the party without bringing anything.

Situation – The teacher is giving directions, but your friend sitting next to you keeps talking. You can't hear the directions. What should you do?

Decide – Will you

1. pretend that you are not listening to him.
2. complain against your friend.
3. request your friend to listen to the teacher.

Situation – Your friends came over to your house. One of your friends brought another friend so there are more people than you planned for. You want to pass out the cold drink cans but you only have five cans and you need 6 for everyone to have one. What could you do?

Decide –

1. You'll talk to your friend and tell him to share his drink.
2. You'll give your cold drink can to him and pretend you have sore throat.
3. You'll go to market to buy another one for him.

Situation – An elder (but a stranger) came to the playground and asked if you would help look for his lost dog. What would you do?

Decide – Will you

1. be wary of strangers.
2. help him on your own.
3. involve other people nearby and help him.
